CHANGE TO APPLIEDORE POST OFFICE CLOSE TIMES

With effect from Monday 9th August 2021

To prioritise the wellbeing of our valued team and to help them to keep the shelves filled with high volumes of stock for you, we will need to close the Post Office earlier at 1.30pm Monday to Friday inclusive (10am open remains as now).

In taking this decision, it will subsequently enable us to keep this shop open for the local community and visitors 7 days a week from 8am to 7pm (8.15am on the weekends).

One of the main changes that we're currently experiencing due to the shortage of hauliers is unpredictable delivery times and multiple stock deliveries of stock in the afternoons.

Please note that Saturday Post Office hours will still remain as now 10am-12.30pm and we will review the situation again at the end of Sept.

Thank you for your understanding and please do be kind to our team 😊
